

The Darbara Ghuman Memorial Scholarship for Student Excellence

Darbara Ghuman was a large supporter of the Fleetwood Park Secondary community. Being a marathon runner and Ironman triathlete himself, Darbara encouraged everyone that he met to get involved in athletics. Darbara felt that regardless of winning or losing it is imperative that you commit fully to the goals you have set out for yourself, and it is with that mindset he was able to accomplish the athletic goals he set out for himself. Darbara was also a big believer in education and believed that it paramount to success. He greatly appreciated those who showed commitment and excellence in both their athletic and academic endeavors.
